## National Crime Prevention Month

Home safety tips brought to you by the Loudoun County Sheriff's Office

## LANDSCAPING

Your home's landscaping should provide maximum visibility to and from your house. Trim shrubbery that could conceal criminal activity near doors and windows. Provide lighting on areas of dense trees and shrubs that could serve as hiding places. Cut back tree limbs that could otherwise help thieves climb into windows.

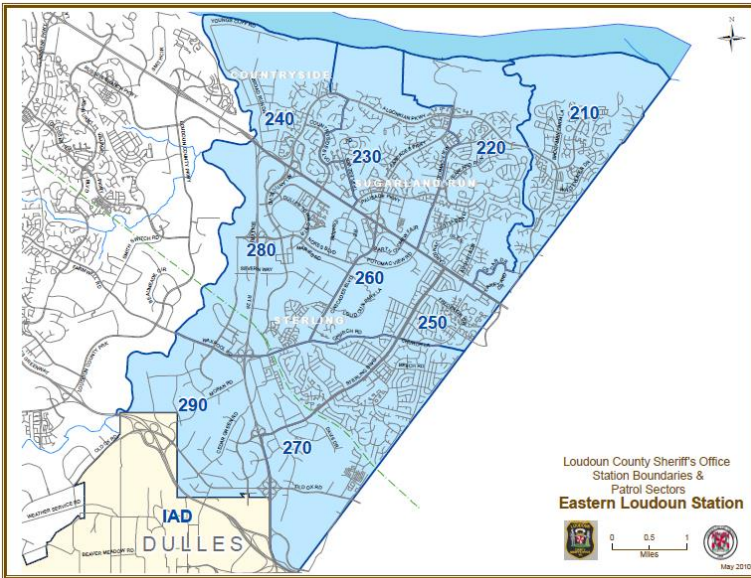

Planting bushes or flowers such as roses, that have thorns is a great option for under windows. Thieves will be less likely to gain entry to the house if they have to climb through the bushes with thorns.
