BRISKMAN STATEMENT ON WJLA FALSE REPORTING

LEESBURG, VA May 10, 2023 -- Supervisor Juli Briskman released the following statement today in response to false reporting from WJLA and reporter Nick Minock.

"Supervisor Briskman does not condone threats or violence. Supervisor Briskman was not part of the alleged conversations reported by yesterday's WJLA 7 News/Minock story about Loudoun County, as Minock admits in his coverage. Without facts or evidence, that coverage attempts to affiliate Briskman with alleged events of which she has no knowledge. Nobody from Briskman's political or official staff, past or present, was part of the alleged conversations.

Supervisor Briskman expects a retraction and apology from WJLA 7 News and Nick Minock."
