Dominion Energy is hosting a community meeting to discuss Dominion's proposal to [construct a new set of transmission lines](#) along the Route 7 & Loudoun County Pkwy corridors.

Supervisor Juli Briskman encourages any Algonkian District residents who are able to attend to come and make their voice heard on the potential routes. Attendees will be able to meet with representatives of Dominion Energy and share their preferences for the future of energy infrastructure in Loudoun County.

Dominion Energy anticipates submitting their plan to the State Corporation Commission (SCC) in November. The SCC will review the plans and issue a final decision potentially sometime in 2024.

Visit dominionenergy.com/nova for more information about the proposal.
