Claiborne & Loudoun County Parkway Traffic Signal to be Activated in July

Sent: June 30, 2020

I wanted to share good news regarding the new traffic signal at Claiborne & Loudoun County Parkway (LCP).

The Toll Brothers developer is completing work on its proffered traffic signal obligation at the intersection and **the new traffic signal is expected to be placed into flashing mode next week (week of**

July 6th), and become fully operational the following week (week of July 13th).

When fully operational, the southbound Claiborne Parkway approach to LCP will have been re-stripped with two left turn lanes onto northbound LCP, and one right turn lane onto southbound LCP.

Commencement of this proffered signal was triggered by a request from my office in 2017 and we've worked with County staff, VDOT, and the Toll Brothers developer since that time to ensure continued progress and completion of this project. I want to thank all parties for getting this done!

Coronavirus - We're in it together, we'll get through it together - Tony

Be safe!
