Local Electronic Recycling Programs

Disclaimer: This list is not all-inclusive. Inclusion on this list does not imply an endorsement of the organization or their services by the Loudoun County Department of General Services, Waste Management Division. Therefore, any reference to any vendor, product or service by trade name, trademark, manufacturer, or otherwise does not constitute or imply the endorsement, recommendation, or approval of such vendor, product, or service.

Aluminum Beverage Cans

- Aluminum beverage cans are accepted at the [Loudoun County Recycling Drop-Off Centers](#) (free)
- Check the yellow pages under "scrap metal."

Antifreeze

- Used antifreeze is accepted at the [Loudoun County Solid Waste Management Facility Recycling Center](#) (free).

Appliance

- If they are still operating, refer to yellow pages under "churches" and "thrift shops."
- If they are not working, appliances may be disposed of at the [Loudoun County Solid Waste Management Facility](#) (for a fee).
- Disposal of Refrigerators, Freezers, Air Conditioners & Dehumidifiers
 - These appliances cannot be thrown away and contains a chemical coolant or refrigerant that is toxic and considered an ozone depleting substance.
 - The refrigerant must be removed by a certified technician using certified equipment prior to disposal.
 - Refrigerant-containing appliances may be brought to the [Loudoun County Solid Waste Management Facility](#) (for a fee; surcharge also applies for removal of refrigerant).
 - Call your Town office or HOA and arrange to speak to the solid waste collector.
 - Arrange transport with the collector.
 - The refrigerant must be removed prior to disposal.
 - Call an appliance store or the manufacturer of the appliance for refrigerant removal services (for a fee).

Bags, Plastic Grocery

- Plastic grocery bags are accepted at most grocery stores.
- Washington Post newspaper delivery bags are also accepted at Giant, Safeway, and Shoppers Food Warehouse.
- For more information on plastic bag, film, and wrap recycling visit www.loudoun.gov/recycle and the "Plastic Bag Recycling" tab.

Disclaimer: This list is not all-inclusive. Inclusion on this list does not imply an endorsement of the organization or their services by the Loudoun County Department of General Services, Waste Management Division. Therefore, any reference to any vendor, product or service by trade name, trademark, manufacturer, or otherwise does not constitute or imply the endorsement, recommendation, or approval of such vendor, product, or service.

Batteries

- Automotive batteries are accepted at the [Loudoun County Solid Waste Management Facility Recycling Center](#) (free)
- You may also return a used auto battery to the place where you are purchasing a new battery.
- Rechargeable batteries are accepted at Home Depot store entrance. Visit the [Rechargeable Battery Recycling Corporation](#) for additional collection locations.
- Alkaline batteries (AA, AAA, C, D, etc.) are accepted at County Household Hazardous Waste Events for recycling (residents only), free of charge. Businesses may participate in the [Business Hazardous Waste Program](#) to recycle alkaline batteries for a fee. Other recycling services such as [Battery Solutions](#) and [Big Green Box](#) are available online for a fee. Visit [Call2Recycle](#) to set up your own collection program.
- Button batteries, such as those used in hearing aids and wrist watches may be returned for recycling at the Wal-Mart jewelry counter, or they may be brought to the County's [Household Hazardous Waste Collection Events](#) (if they are from a household). [Battery Warehouse](#) in Leesburg also accepts these for recycling at no charge.

Bicycles

- The Washington Area Bicycle Association sponsors Bikes for the World, which collects repairable bicycles in the United States, donating them to charities overseas for productive use by those in need of affordable transport.

Books

- Hardcover and paperback books are accepted for recycling at each of the [Loudoun County Recycling Drop-Off Centers](#)
- Books are accepted by many used book dealers. Refer to yellow pages under "book dealers - used and rare."
- The [Loudoun Library Foundation](#) (703-779-2252) accepts used books.
- [Adopt-a-Library](#) is dedicated to encouraging and helping people recycle books.
- Pro Quo Books (410-663-0410) buys large quantities of used books, such as those remaining after library book sales.

Disclaimer: This list is not all-inclusive. Inclusion on this list does not imply an endorsement of the organization or their services by the Loudoun County Department of General Services, Waste Management Division. Therefore, any reference to any vendor, product or service by trade name, trademark, manufacturer, or otherwise does not constitute or imply the endorsement, recommendation, or approval of such vendor, product, or service.

Bottles & Cans

- Commingled glass bottles and jars, aluminum / steel cans, and plastic bottles are accepted at each of the [Loudoun County Recycling Drop-Off Centers](#) and [Town of Leesburg Recycling Center](#).

CDs & DVDs

- [Securis](#) (703-436-1967) in Chantilly recycles CDs and DVDs.
- More information is available [CD Recycling Center of America](#) and [Back through the Future Technology Disposal](#).

Cell Phones

- Used cell phones may be donated to the [Loudoun County Victim Witness Program](#) (703-777-0417).
- Cell phones are also accepted for recycling at [Loudoun County Electronics Recycling Events](#), Staples, and RadioShack.

Christmas / Holiday Lights

- [The LED Warehouse](#) recycles old Christmas / holiday lights.

Christmas Trees

- For information on Christmas tree recycling, visit www.loudoun.gov/recycle and “Christmas Tree Recycling” tab.

Clothes

- [Planet Aid](#) containers are available at multiple locations for drop-off of clean clothes and usable shoes. Place items in a plastic bag, tie bag shut, and place inside the yellow drop box. Thrift shops, churches, and other charitable organizations may also accept lightly worn items.

Clothing Hangers, Wire

- Many dry cleaners will accept used wire coat hangers from customers. Consult the yellow pages under "cleaners."

Disclaimer: This list is not all-inclusive. Inclusion on this list does not imply an endorsement of the organization or their services by the Loudoun County Department of General Services, Waste Management Division. Therefore, any reference to any vendor, product or service by trade name, trademark, manufacturer, or otherwise does not constitute or imply the endorsement, recommendation, or approval of such vendor, product, or service.

Compact Fluorescent Lamps (CFLs)

- CFLs are the energy efficient light bulbs that screw into light sockets in table lamps and overhead lights.
- Take CFLs to any [Home Depot](#) Store customer service desk for recycling.
- Do not dispose with regular garbage because fluorescent lights contain mercury. The Department of General Services, Waste Management Division, has instructions online on [how to clean up a broken CFL](#).
- CFLs may also be taken to the county's [Household Hazardous Waste Collection Events](#) (if they are from a household).

Composting

- The [Loudoun County Extension Office](#) (703-777-0373) provides guides to backyard composting.

Computers & Other Electronics

- Visit www.loudoun.gov/electronics for information on county events.
- For other local recycling programs include, visit [Local Electronic Recycling Programs](#).

Fluorescent Light Bulbs or Tubes

- Fluorescent light bulbs are the long narrow tubes that are typically found in commercial overhead lights.
- Visit [Know Toxics](#) for recycling options. Do not dispose with regular garbage because fluorescent lights contain mercury.
- The Division of Waste Management has instructions online on [how to clean up a broken fluorescent bulb](#).
- Fluorescent light tubes may also be taken to the county's [Household Hazardous Waste Collection Events](#) (if they are from a household).

Therefore, any reference to any vendor, product or service by trade name, trademark, manufacturer, or otherwise does not constitute or imply the endorsement, recommendation, or approval of such vendor, product, or service.

Furniture

- Furniture is accepted by churches and other charitable organizations.
- Refer to yellow pages under "churches" and "thrift shops."
- Visit www.loudoun.gov/recycling and the "Donate Used Items" tab. for local donation options.

Junk Mail

- Junk mail is accepted [Loudoun County Recycling Drop-Off Centers](#) and [Town of Leesburg Recycling Center](#).

Magazines

- Magazines are accepted with newspapers at all [Loudoun County Recycling Drop-Off Centers](#) and [Town of Leesburg Recycling Center](#).

Metal, Scrap

- Consult the local yellow pages for Scrap Metals.
- The [Loudoun County Solid Waste Management Facility](#) accepts scrap metal, appliances, etc for recycling (for a fee).

Motor Oil

- Used motor oil is accepted at the [Loudoun County Solid Waste Management Facility Recycling Center](#) (free).
- Some gasoline service stations accept used motor oil from customers (call first).

Paper, Office

- Office paper is accepted at the [Loudoun County Recycling Drop-Off Centers](#) and [Town of Leesburg Recycling Center](#)

Phone Books

- Phone books are accepted at each of the [Loudoun County Recycling Drop-Off Centers](#) and [Town of Leesburg Recycling Center](#).

Disclaimer: This list is not all-inclusive. Inclusion on this list does not imply an endorsement of the organization or their services by the Loudoun County Department of General Services, Waste Management Division. Therefore, any reference to any vendor, product or service by trade name, trademark, manufacturer, or otherwise does not constitute or imply the endorsement, recommendation, or approval of such vendor, product, or service.

Smoke Detectors

- Smoke detectors may be thrown away in the trash or taken to the the [Loudoun County Solid Waste Management Facility](#) (for a fee).
- Many manufacturers offer take-back programs.
- Contact information for many manufacturers can be found through JMAC Supply and their [Homeowner Smoke Detector Recycling Program](#).

Styrofoam

- Styrofoam block is accepted through mail-back programs offered by the [Alliance of Foam Packaging Recyclers](#).
- Styrofoam shipping peanuts are accepted at packing and shipping stores.
- Refer to yellow pages under "shipping masters."
- Styrofoam is not accepted at any of the county Recycling Drop-off Centers.

Tires

- Tires are accepted at the [Loudoun County Solid Waste Management Facility](#) (for a fee)
 - Tires with rims are accepted, but an additional fee will be charged for the rim.
- Dispose of old tires at the place where new tires are purchased (for a fee - call first).

Toner Cartridge

- Toner cartridges accepted at Staples and at U.S. Post Office locations. To set up a free toner cartridge collection program from your business, contact Enterprise PC Services in Herndon, Virginia (703-472-1232).
- Mail-back programs accept ink and toner cartridges: [Quill Ink Cartridge Recycling](#) and [Cartridges for Kids](#).
