Frequently Asked Questions:

Q: What if we have more than 15 children?

A: You would pay admission for the number above 15, even when you pay for a larger room. The room capacity limits the number of attendees. You must ensure that you have enough adult supervision for the children in the party and the number of all your guests is within the fire code for the room you have rented. Anyone that attends but does not fit in the room would pay general admission and would not be able to go in the room.

Q: Can I hang up decorations?

A: Yes, only on the walls and with painter's tape (provided by you). Nothing may be hung from the ceilings.

Q: What if I have more than the room capacity?

A: The extra people cannot go in the room. You may purchase time in a larger room if it is available.

Q: Can we bring our own food? Alcohol?

A: Alcohol is not permitted in any Loudoun County Park or Recreation Center. You may bring food that does not require reheating, or cooking, as long as all containers and utensils are disposable. A room with attached kitchen may be available for a higher price and is required if your food does not meet these criteria.

Q: Do parents staying have to pay?

A: Only if they are required to be in the water with children per the Pool Rules, want to play on their own or they are above the room capacity limit. If you have more adults than will fit in the party room, they must pay admission. If they stay with the party and are within the limits of the room you have rented there is no charge.

Q: Can we go into the pool after we have pizza or cake?

A: No swimming is allowed after you have gone to your party room to eat.

Q: Do you provide someone to help us with our party?

A: Our staff will set up the room with our tableware or yours, but it is your responsibility to decorate/run your party.

Q: Can the kids climb the wall, go swimming and play basketball?

A: Yes, as long as they have adult supervision wherever they are, and all swimming must take place before they go to the party room to eat. All activities take place in shared spaces. Your room time is your private time.

Q: Can we get into our party room before the time we have reserved?

A: Your room will be ready for you at the time you reserve. You may store any belongings in the glass area in front of the manager's offices if necessary. We have several carts to help move your items to your room.

*** If you have additional tableware you want to put out, please bring it to the front desk and we will be happy to include it.

Q: Are kids under 3 free?

A: No. Any child using the facility or sitting at the table is included in the party price and counts toward the room capacity.

Q: Do you have a cake cutting knife?

A: Only small plastic knives. If you would like a larger or nicer cake server, please bring one from home.

Q: Do you have matches or a lighter?

A: No, you should bring your own matches or lighter to light the candles.

Q: Can you add extra pizzas or toppings on to our order?

A: For an additional \$10.00 each, we can add extra one topping pizzas. Orders must be made at least one week prior to party. If you would like a different type, you may order extras from anywhere to be delivered to you separately.

Q: When is the latest I can reserve a party?

A: To ensure you have the best experience possible during your reservation, we require paperwork to be turned in and payment made at least one week in advance of your requested party reservation date.
