**Information about the Local Application for the
Fiscal Year 2022 Continuum of Care Competition and Noncompetitive Award of
Youth Homeless Demonstration Program Renewal and Replacement Grants**

OVERVIEW

The Loudoun County Continuum of Care (CoC) is pleased to announce that nonprofit organizations can now apply for local grant funding through the U.S. Department of Housing and Urban Development's (HUD) Year (FY) [2022 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants](#). This funding is to support the development and implementation of a coordinated community approach to preventing and ending homelessness, to provide funding for efforts to quickly rehouse homeless individuals, families, persons fleeing domestic violence, dating violence, sexual assault, and stalking, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families, and to optimize self-sufficiency among those experiencing homelessness.

FUNDING OPPORTUNITY

The Continuum of Care (CoC) Program is designed to promote a community-wide commitment to the goal of ending homelessness. The goal of the Youth Homelessness Demonstration Program (YHDP) is to support the development and implementation of a coordinated community approach to preventing and ending youth homelessness and sharing that experience with and mobilizing communities around the country toward the same end. The population to be served by the demonstration program is youth experiencing homelessness, including unaccompanied and pregnant or parenting youth.

The Loudoun County CoC will be submitting a Consolidated Application and encourages nonprofit organizations serving Loudoun County residents to consider being part of this application.

Total funding through this special competition is approximately \$2,794,000,000. HUD determines the amount that each CoC is eligible to apply for, which is shared via the CoC Estimated Annual Renewal Demand Report ([ARD](#)). The following is a brief overview of the funding available to Loudoun County's CoC in the FY2022 HUD CoC Program Competition as well as the eligible project types. Proposed projects can apply for a part of OR all of the Bonus or DV Bonus funding.
