Spotlight on the Workforce Innovation and Opportunity Act (WIOA) Youth Program

Interview with Fariyah Kuraishi, [WIOA Youth Program](#) Employment Counselor

What is the WIOA Youth Program?

It is a comprehensive youth employment program for serving eligible youth, ages 17-24, who face barriers to education, training, and employment. We work with clients one-on-one to support their professional development and help them transition into the workforce.

How can the WIOA Youth Program help me?

We offer a wide range of work readiness support including: Alternative Secondary School Services, Paid Work Experience, Occupational Skills Training, Leadership Skills Development, Supportive Services, Financial Literacy Education, Labor Market and Employment Information, Individualized Career Counseling, and more.

Do you have any success stories?

Yes! We've had dozens of clients obtain certifications and secure employment. K.B. for example, came to the program with unstable housing, had recently lost her job, and didn't have a plan for school. She decided to get into the healthcare field, completed the NOVA Certified Clinical Medical Assistant program and passed the National Healthcareer Association (NHA) board exam through WIOA funding. K.B. worked with her case manager to update her resume and practice interviewing skills while in training. Within a week after obtaining her NHA license, she was employed in a full-time medical assisting role at a Leesburg medical office practice.

How do I get connected?

Contact Jamie Hudson via email at jamie.hudson@fairfaxcounty.gov or by phone at 571-641-1065 to schedule an information session.

Workforce Resource Center Recognized

The Loudoun Workforce Resource Center has been recognized by the [Virginia Department for Aging and Rehabilitative Services \(DARS\)](#) as a Champion of Disability Employment. Being one of five winners throughout the Commonwealth, organizations that earned this award proactively work with DARS to help increase employment opportunities for individuals with disabilities and demonstrate a commitment to help advance the DARS mission.
