GENERAL INFORMATION

The Real Property Tax Exemption for a Disabled Veteran and their spouse or surviving spouse is provided on an annual basis and must be requested by the veteran and spouse (if applicable) or surviving spouse seeking the exemption. The exemption from paying real property tax is based on qualifying disability, ownership, and occupancy.

The Personal Property Tax Exemption for a Disabled Veteran is provided on an annual basis and must be requested by the veteran and spouse (if applicable) seeking the exemption. The exemption is based on qualifying disability, ownership, and use. Only one motor vehicle per tax year may receive the exemption. The vehicle must be owned by the veteran or their spouse. Once a vehicle has been selected to receive the exemption, another vehicle **cannot** be selected until January 1 of the following year unless the original vehicle is disposed of or sold. The exemption does not apply to a vehicle owned by a veteran's surviving spouse. Leased vehicles and vehicles titled to a business do not qualify.

The request form does not need to be filed annually. However, a form will be mailed to existing program participants by March 1 each year, so that any changes can be reported. Once this request form is filed it becomes the property of the Office of the Commissioner of the Revenue. The request form and supporting documentation are confidential and not open to public inspection. Request forms returned without proper supporting documentation may be denied.

My office will be happy to provide physical or sensory accommodations for you to utilize this program. Additional information and assistance are available over the telephone or in my office. In order to manage workload and reduce waiting time for assistance, please call **703-737-8557** to schedule an appointment or to speak to a staff member.

**QUALIFICATIONS FOR REAL PROPERTY EXEMPTION FOR DISABLED
VETERANS OR SURVIVING SPOUSE**

Disability – The United States Department of Veterans Affairs must have determined that the veteran has a 100% service-connected, total and permanent disability or a total disability rating based on individual unemployability due to a service-connected disability. Documentation from the Department of Veterans Affairs must be provided with the first request for exemption.

Property Ownership – The property must be owned by the veteran requesting the exemption or the surviving spouse of a 100% service-connected, totally and permanently disabled veteran. Real property co-owned by the veteran and other individuals, not all of whom are entitled to the exemption, may receive a partial exemption based on the percentage of ownership by the veteran and those entitled to the exemption. The property may be deeded to a trust and receive an exemption. A copy of the entire Trust and amendments must be provided to the Commissioner of the Revenue with the first request for exemption. A life estate granted to a veteran and/or a veteran’s spouse may qualify for the exemption. Manufactured homes (mobile homes) may qualify. However, if the land on which the manufactured home is located is not owned by the disabled veteran, the land will not qualify for the exemption.

Use/Occupancy – The property must be occupied as the principal residence of the veteran requesting the exemption or the surviving spouse of a 100% service-connected, totally and permanently disabled veteran. Additional structures that are used to house or cover motor vehicles, household goods and personal effects may qualify for the exemption. The veteran is required to file a new request for real property exemption if the principal place of residence changes.

The Surviving Spouse of a veteran is eligible for the real property exemption, as long as the death of the veteran was on or after January 1, 2011, and the surviving spouse does not remarry.

Adjustment of Tax Exemption – Notify the Tax Exemptions and Deferrals Division immediately of any ownership or occupancy changes. The real estate tax exemption will be adjusted if 1) the qualifying dwelling is sold, 2) the title is transferred to a non-qualifying owner, 3) if the property ceases to be your principal residence, or 4) the last qualifying owner dies.

**QUALIFICATIONS FOR PERSONAL PROPERTY EXEMPTION FOR
DISABLED VETERANS**

Disability – The Department of Veterans Affairs must have determined that the veteran has a 100% service-connected, total and permanent disability.

Property Ownership – The motor vehicle (car or truck) may be owned by the veteran or spouse. Once a vehicle has been selected to receive the exemption, another vehicle **cannot** be selected until January 1 of the following year unless the original vehicle is disposed of or sold. Leased vehicles and vehicles owned by a business do not qualify.

Use - The motor vehicle must be used primarily by or for the qualifying veteran.

Adjustment of Tax Exemption – Notify the Tax Exemptions and Deferrals Division immediately of personal property changes that might affect your exemption including the sale of the vehicle, purchase of a new vehicle or if the disabled veteran passes away.
