

ADU RENTAL PROGRAM PRE-SCREENING

The answers to the screening questions below will determine if you are potentially eligible for the ADU Rental Program. Spouses must apply as Applicant and Co-Applicant. All members of the household must provide one form of identification. Married and Co-Habiting couples are required to apply as Applicant and Co-Applicant.

1. Income and Family Size (Fill out A, B, & C)

- A. Applicant Name: _____
- B. Family Size: _____ (Includes adults and children who will be living in the apartment to be rented.)
- C. Total Annual Gross Income From All Sources: _____

(Income includes full-time, part-time jobs, overtime, shift differentials, child support, alimony etc.) Please be advised that you will be required to document all sources of income at application with a Verification of Employment Form, paystubs, proof of receipt of child support and gift money, if received, for the most recent three months and documentation of any other income received. Household members (except applicant and co-applicant) 18 years and older who are full-time students (12 credits or more) will not include their income since income for full-time students is not counted for the ADU Rental Program. If you are self-employed, please see the supplemental “Required Documentation for Persons who are Self-Employed” form for how to calculate annual income.

The Chart below indicates Family Size across the top of the chart and the minimum (30%) and the maximum (50%) income guidelines along the side of the chart. For example, if you are a three person household, you must earn at least \$38,450 (30%) but not more than \$64,050 (50%).
